

MODEL 4400

ROUND LED WORK LAMP

Compact, low-cost, sealed LED work lamp is ideal for utility vehicles!

The Model 4400 LED work lamp is a low-cost solution with high impact designed for the lawn & garden and golf & turf markets but equally effective on utility, light construction, and industrial vehicles as well. When vibration, cost-containment and dependability are issues, the Model 4400 is the answer. This lamp is available with clear, amber or red lenses to fit most applications. Four-year warranty is standard.
