

MODEL 9770 & 9780

MODEL 9770-12V HID HAND HELD WORK LAMP
MODEL 9780-24V HID HAND HELD WORK LAMP

Our most popular heavy-duty HID hand-held work lamp.

The Model 9770 or 9780 is constructed using industrial grade materials. It can withstand severe environments as well as shock and vibration. Stainless steel hardware and a high-impact, chemical-resistant housing make it even more durable. Its HID technology offers "daylight color impression" (blue/white light), five times more light and ten times the life of conventional halogen work lights. Ideal for 24/7 work applications including agriculture, construction, forestry, ground support, industrial, mining, public safety and railroad. Available in flood or spot lens patterns.
